LOGO ON BACKGROUNDS: PRIMARY USE

The Birlasoft Logo, in all its permitted version, must always appear on a white background.

birlasoft

The Birlasoft logo is displayed within a white rectangular box. The word "birlasoft" is written in a serif font, with "birla" in black and "soft" in red.

birlasoft
CKA Birla Group

The Birlasoft logo is displayed within a white rectangular box. The word "birlasoft" is written in a serif font, with "birla" in black and "soft" in red. Below it, the text "CKA Birla Group" is written in a smaller, sans-serif font, with "CKA" in red and "Birla Group" in black.

LOGO ON BACKGROUNDS: SECONDARY USE

There are situations where logo has to be used on background, in that case the logo can be used on light gray (10-15 % Black).

There are situations where a reversed version of the logo is needed for packaging or other business collateral, for that a reverse version of the logo can be used. The reverse version is restricted only to brand colors Dark Gray and Red as shown. It is not permitted to use the logo on any other background color as well as an image.

LOGO ON BACKGROUNDS | INCORRECT USAGE

DO NOT

- ✗ Do not use the logo on any background other than white

- ✗ Do not use the logolike this as CK Birla Group Logo is overpowering & red on grey has low contrast

- ✗ Do not use the logo enclosed in a shape

- ✗ Do not change the colors of the logo

- ✗ Do not use the logo on any texture or gradient

- ✗ Do not use the logo enclosed in a shape

- ✗ Do not use the logo on images that affect readability of the logo

LOGO ON BACKGROUNDS | CORRECT USAGE

- ✓ Use the logo only on white background

In instances where the logo appears over an image, such as advertisement, brochure, etc:

- ✓ A. use the logo in a white band under the image

- ✓ B. use the logo in a white band above the image

- ✓ C. use the logo on white or neutral and passive areas of the image

LOGO SIZES

Maximum Size

There is no limit on the maximum size to which the logo can be used. Large sizes are generally used for applications like signages, billboards, equipment, site branding, etc.

Minimum size

Under no circumstances should the Birlasoft logo ever be reproduced in sizes smaller than what is prescribed below.

Master Logo

Width not less than 20 mm

Logo with Parent Group Logo

Width not less than 25 mm

EXCLUSION ZONE & CLEAR SPACE

Always keep a clear space around the logo, free from disturbing elements. To calculate the exclusion zone, use the letter 'b' from the logo and leave a uniform area equal to its height around all four sides of the logo. This ensures the logo is never compromised by any other graphic, typography or imagery.

[birlasoft

Do not bring any elements within the exclusion zone.

Do not put the logo at the edge of any document.

Master Logo

Logo with CK Birla Group Logo

Space between logo and CK Birla Group logo = height of 'b' scaled down to 20%
